

### REMARKS

As discussed with the Examiner in a telephone conversation on August 17, 2006, new claims 23-37 have been added to this application. These claims correspond to claims 11-15, which depend upon independent claim 10. However, since dependent claims 7, 8 and 9 are directed to similar subject matter, new dependent claims 23-37 have been added. These claims are essentially a mirror image of those which previously depended upon claim 10.

Please note that no new matter has been added. These dependencies were present in the originally-filed application. These amendments also find support in the specification from page 6, line 29 to page 7, line 2; page 12, lines 17-32; and page 15, lines 3-32.

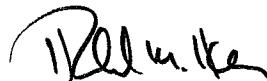

### CONCLUSION

For the reasons detailed above, it is respectfully submitted all claims remaining in the application (Claims 7-15 and 23-37) are now in condition for allowance.

If there is any problem with this amendment, the Examiner is hereby authorized to call Richard M. Klein, at telephone number 216-861-5582, Cleveland, OH.

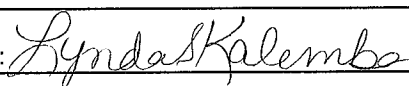

Respectfully submitted,

FAY, SHARPE, FAGAN,
